“My family and I are delighted to support Williamsburg Landing’s programs because we’ve seen first hand the importance of activities that engage the mind—and really the spirit. I believe people will look back on the Landing as being far-sighted in what they see as needs for the residents, and equally importantly, for the community.”

— Clayton Westland, Resident

What's the Story that Inspires Your Giving?

Your life or the lives of your loved ones have likely been impacted by generosity in some way. Perhaps you can think of a time when kindness or provision *would* have made a world of difference if only it had been extended. Whether you're motivated to pay it forward or provide the resources you wish you'd had, a gift to Williamsburg Landing's 2018 Annual Fund is a meaningful and valuable way to do so. The needs within our community touch us all in some way—and so can your decision to give.

Employee Training & Education Fund

At Williamsburg Landing, we believe that the quality of our residents' care is directly connected to the level of our staff's expertise. When our employees are provided with personalized education that maximizes their professional potential, their lives—and our residents' lives—are drastically changed for the better. How different would your own story be without the influence of education? Your gift to the Stephen H. Montgomery Employee Training and Education Fund allows our staff members to attain the advanced specialization and honed skills that sustain a top-of-the-line workforce.

Benevolence Fund

How might you feel if your finances were suddenly so limited that you were in danger of losing your home? When there is a gap between the continued cost of living at Williamsburg Landing and a resident's unexpected financial situation, donors to Williamsburg Landing's Benevolence Fund fill the void. Those who join together in this effort essentially serve as a bridge to security for those with no other way to cross. Only through your compassionate giving to Benevolence can all residents rest assured, knowing that the bridge is there should they ever need it.
