

WILLIAMSBURG LANDING®

“Continuing Care”: Tips for Finding Retirement Living Built for Life

At Williamsburg Landing, we feature a retirement living concept that we call “Living in Place.” It means that as your health needs potentially change over time, you’ll never have to move from our beautiful community to receive the care and support you need. This contrasts with many other retirement communities where a change in your health status requires a change in your address.

Convenient On-Site Services When and Where You Need Them

If you ever do require additional health services to maintain your well-being and lifestyle preferences, Williamsburg Landing offers a variety of supportive services on our campus for your personal comfort and convenience. These include:

- **Medical Health Clinic** – Located on the first floor of the Landing Building, the medical clinic is staffed by our Medical Director and a certified nurse practitioner.
- **Short-Term Rehabilitation** – Following a hospital stay for surgery, illness or injury, most people want to get back to their familiar environment as quickly as possible. Our on-site short-term rehabilitation center can get you there – quickly and safely.
- **Home Health Services** – This service is available if there comes a time when you need a bit more care or support to stay in the comfort of your own residence here.
- **Assisted Living** – For those who need a bit of assistance to remain living independently but want a lifestyle rich in [services](#), [amenities](#) and [activities](#), Assisted Living at Williamsburg Landing is an ideal solution.
- **Memory Care** – For those with memory impairment, Memory Care at Williamsburg Landing offers personalized care, dignity and respect, all in the comfort, beauty and warmth for which this community is renowned. Memory Care is provided in a separate safe and homelike setting on site.
- **Long-Term Nursing Care** – The Long-Term Care Center at Williamsburg Landing provides extended nursing care in warm, welcoming and comfortable surroundings. Our goal is to make each resident feel safe, cared for and completely at home.

Advantages of Continuing Care

After moving into a leading retirement living community such as Williamsburg Landing, you can enjoy the many lifestyle benefits secure in the knowledge that your future healthcare needs can be taken care of right here within your chosen community. This is beneficial in several ways as it:

WILLIAMSBURG LANDING®

- Reduces the worry of having to leave your comfortable and familiar surroundings
- Eliminates the potential for the physical separation of spouses if one requires additional care
- Avoids the additional expense and hassle of having to move
- Enables you to stay connected with the friends you've made even if your health needs change
