

Your Legacy Matters: Make a Lasting Impact with an Estate Gift

The values that have shaped Williamsburg Landing for more than 40 years can continue to inspire and support future generations through thoughtful estate planning.

By including Williamsburg Landing in your estate plans, you help ensure that the programs and services you care about—such as our Library, Employee Support, Campus Enhancement and Landscaping, the Williamsburg Landing Adult Day Center or other areas that are meaningful to you—continue to thrive for years to come.

Creating a legacy gift can be as simple as including a bequest in your will, naming Williamsburg Landing as the beneficiary of a retirement or investment account, or establishing a charitable gift annuity. You can even use your entrance fee refund to make a gift. These options may offer tax advantages and, in some cases, provide lifetime income while creating a lasting impact on the community you call home.

We are deeply grateful to the many residents and friends who have chosen to include Williamsburg Landing in their future plans. Their generosity reflects a shared commitment to preserving our mission and strengthening our community for those who will call Williamsburg Landing home in the years ahead.

If you are considering an estate gift, we would be honored to help you explore the options that best reflect your values and goals. To learn more, contact our Chief Development Officer at 757-253-9677 or visit www.williamsburglanding.org.
